# You Are a Gift!

**Did you know that God created you with a unique gift?  
Yes, YOU!**

Did you know that God created you with a unique gift? Yes, YOU! You are a masterpiece, carefully crafted with a purpose. Like a snowflake falling gently on a winter morning, you are one of a kind—special, irreplaceable, and gifted.

In Psalm 139:14, the Bible says, “I praise You because I am fearfully and wonderfully made.” God did not make a mistake when He created you. He placed within you a gift—something extraordinary that only you can bring to this world. Like Moses’ staff that parted the Red Sea, or Joshua’s feet that claimed the Promised Land (Joshua 1:3), your gift is meant to make an impact.

Think about it. There is something you can do that no one else can. Whether it’s your ability to comfort others, your knack for solving problems, or your creative touch that turns the ordinary into the extraordinary, your gift is uniquely yours.

Your gift defines you. It is who you are that no one else can be. That is your original form. Your gift is your advantage. It is your strength. Those who have succeeded greatly in life are those who focused on their gift. They had deficiencies, but the result of using their gifts often overshadowed their weaknesses. When you forsake or ignore your gift and start trying to be what God has not made you to be, you become a second fiddle. Most people that are struggling to make it in life struggle because they are ignorant of what should have been their advantage.

Your gift makes you a gift to the world. It is God’s way of equipping you to contribute something extraordinary to the lives of others. When you embrace and use your gift, you fulfill not just your purpose, but also become a blessing to humanity.

**If you haven’t yet given your life to Christ, now is the perfect time. He loves you and wants to guide you to discover and use your gift. Simply pray, inviting Him into your heart, and watch as He begins to transform your life.**

It’s important to recognize your gift and use it for the benefit of God and others. Moses discovered that the simple staff in his hand could become an instrument of God’s power. Joshua’s gift was in his feet, as he courageously stepped into territories God had promised. What about you? What’s in your hand? What’s in your heart?

When you use your gift, you not only bless others but also experience true joy and fulfillment. Proverbs 18:16 says, “A man’s gift makes room for him, and brings him before great men.” Your gift is designed to open doors and make a difference.

God knows your gift better than anyone. Since He is the one who put the gift in you, it’s wise to stay close to Him. Proverbs 3:5-6 reminds us, “Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to Him, and He will make your paths straight.”

When you draw closer to God, He will reveal the gift He has placed within you and guide you on how to use it effectively. Giving your life to Christ sharpens your gift, like a tool in the hands of a master craftsman. He will equip you to use your gift for His glory and the benefit of humanity.

There is no greater joy than knowing you are living in your God-given purpose. Using your gift allows you to make a difference in the lives of others while glorifying God. Jesus said in Matthew 5:16, “Let your light shine before others, that they may see your good deeds and glorify your Father in heaven.”

Your gift is not just for you; it is meant to bless those around you. When you serve others with your gift, you reflect God’s love and bring light into the world.

**Here’s a prayer to get you started:**

**“Lord Jesus, thank You for creating me as a unique individual. I believe You have placed a gift inside me. Please come into my heart, forgive my sins, and guide me to use my gift for Your glory and the benefit of others. Amen.”**
